

Northamptonshire Churchyard Conservation Award Scheme Entry Form

Thank you for your interest in the Northamptonshire Churchyard Conservation Award Scheme! We invite you to participate by completing the following entry form, which will provide valuable insights into how your churchyard promotes wildlife and its management practices. Your submission will help showcase your dedication to preserving and enhancing biodiversity in churchyards.

Name of Village/Town:

Name of Church:

Name of Contact:

Address:

Postcode: Phone:

Email:

Which award would you like to apply for?

Bronze Silver Gold (See Award Criteria leaflet for further information)

The judges visit each churchyard and graveyard entry and try to meet the members of a PC or PCC to offer advice and discuss problems - often suggesting ways in which costs can be reduced. So, if you think your churchyard is good for wildlife or would like advice on how to make it better, why not enter? All you have to do is complete the entry form which will give you some idea of the things the judges will look at, whilst telling them something about what you are doing in your churchyard. When complete send an entry fee of £5 payable to The Wildlife Trust at the address at the bottom of the page. The closing date for the entry is the 8th March 2024.

Preferred visit date:

Please indicate your preferred season for the judges to visit your churchyard:

Spring Summer No preference

Please provide the following information regarding how your churchyard is good for wildlife, how it is managed, and what wildlife has been observed. The details you provide, including photographs, profiles/leaflets, or wildlife records, will be used by the judges when they visit. Your participation in this form will help showcase your efforts in churchyard wildlife conservation.

Churchyard Information:

Grass cutting regime:

Describe your grass cutting regime: Do you mow at a variety of times? Do you leave flowers to seed before cutting? How do you dispose of mowings?

Planting:

Have there been any recent plantings of trees, shrubs, or other plants in the churchyard?
