As an inclusive employer we recognise that our workforce needs to better reflect the communities in which we live and work. We actively encourage applications from people of all backgrounds, identities and cultures. We believe that a diverse workforce will help us create our vision of 'people close to nature, with land and seas rich in wildlife.'

As a Conservation Charity, the Trust is committed to the ethical and sustainable sourcing of all materials used by our charity, and to ensuring we support any initiatives which improve sustainability for the benefit of us all. We are also fully committed to significantly reducing our carbon emissions. We would like to be sure that all of our colleagues and team members are equally committed in their support of these values, and practice the highest standards both at work and at home.

About The Wildlife Trust BCN

The Wildlife Trust for Bedfordshire, Cambridgeshire and Northamptonshire is a registered charity (and a company limited by guarantee), whose mission is to:

- conserve local wildlife, by caring for land ourselves and with others;
- inspire others to take action for wildlife; and
- inform people, by offering advice and sharing knowledge.

We are among the largest and most effective of 46 Wildlife Trusts across Britain and we are a major contributor to the nationwide work of the Royal Society of Wildlife Trusts. We currently manage over 100 nature reserves, covering almost 3,945 hectares, and two education centres. Our work also includes the acquisition and application of information about biodiversity. The Trust's turnover in 2023/24 was c £7million and its capital assets more than £28 million, of which over half (£18 million) is classified as heritage assets. This Trust was the first to promote the concept of Living Landscapes: large-scale conservation schemes which aim to ensure that wildlife can thrive alongside the human population across an entire landscape.

Our conservation activity is increasingly focused on these Living Landscapes, including the first to be established - the Great Fen in Huntingdonshire – as well as the Ouse Valley, the Nene Valley and the North Chilterns Chalk.

The Trust's annual report and accounts are posted on our website: <http://www.wildlifebcn.org/annualreview>

The work of the Trust for the period 2020 -25 is outlined in "Our Wildlife Trust: The next five years" which can be found at: <https://www.wildlifebcn.org/next-five-years>.

To achieve the targets within this plan, the Trust is managed and directed by an Executive Board.

The Trust evolved from a group of committed volunteers, and volunteering is still central to its ethos. The working culture of the Trust encourages a professional approach, with a commitment and enthusiasm for nature and its conservation. Mutual respect and teamwork are highly prized among both staff and volunteers. In all its dealings the Trust tries to be fair but firm and in all its activities it aims to be environmentally responsible. Systems, processes and bureaucracy are kept to the necessary minimum for effective performance.

The Chief Executive reports to the Trust's Council of 15 Trustees, who are elected annually from the membership (presently standing at almost 38,000). Council and its two Committees (Conservation, Education & Community; and Resources) meet quarterly. There are 100 staff members, with main offices in Bedford, Great Camboorne, and Northampton, and over 1,000 active volunteers. The Executive Board consists of the Chief Executive and the Directors. Reporting to the Executive Board is a team of senior managers
